

# Join a Teams Meeting via Web Browser

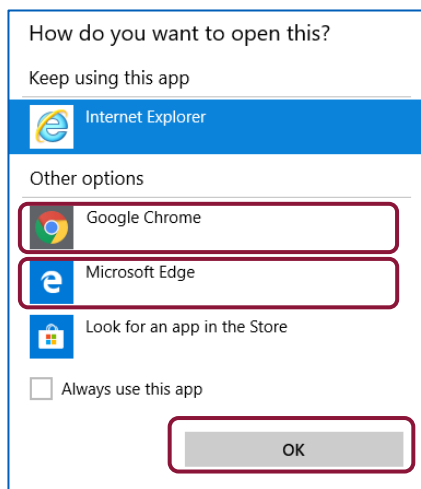

Delegates can join a Teams Meeting from a web browser without having the Teams app installed.

## Quick Reference Guide

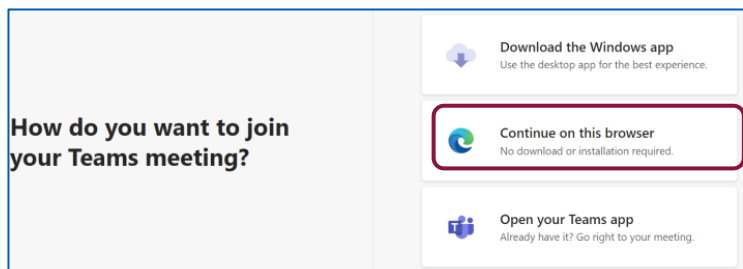

- Open [Outlook Calendar](#).
- Find the [Teams Meeting](#) and open it.
- Click the link to [Join Microsoft Teams Meeting](#).

 If this box appears, choose [Google Chrome](#) or [Microsoft Edge](#).

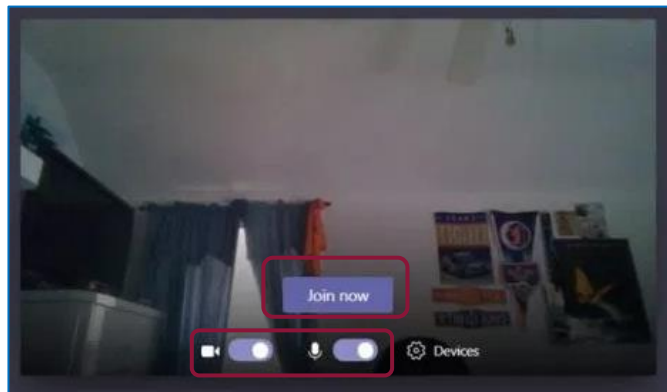

- Click [Continue on this browser](#).
-  The [browser](#) option does not provide full functionality. [Download the Windows app](#) if required.

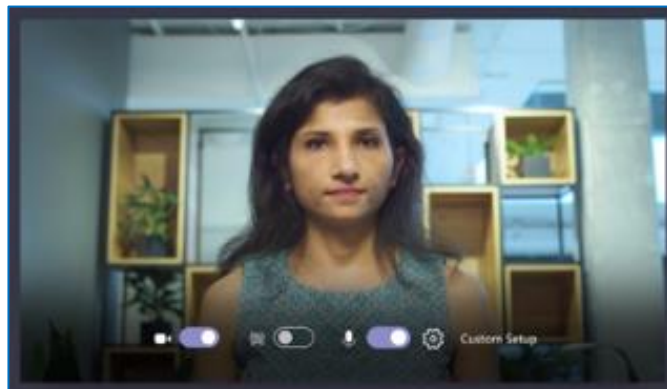

- Enter the name and click **Join now**.

- Toggle the options to use the **webcam** and **microphone**. Then click **Join now**.

- The user will now join the meeting.

If the meeting doesn't begin immediately, wait for the organiser to allow access.
